

Licensed Timber Operator (LTO) List

Updated: January 2021

Contractors listed do not represent or have any affiliation with the Highway 168 Fire Safe Council.

LTOs can email the Highway 168 Fire Safe Council to get added to this list. An LTO's license must be current and displayed on the Cal Fire LTO list in order to be added to this list.

All current LTOs can be found using the link below under "resources and help". Please check with the Cal Fire LTO Program or the LTO list at the link below to ensure a contractor's LTO license is current.
